

DEPARTMENT 10

4-H & FFA GOATS

Theresa Frederick - Superintendent Micca Crampton - Assistant Superintendent
Kenzie Karcher – Teen Superintendent

4-H Goat entry - Sunday 4-6pm

All goats must be vet checked prior to entering the barn. - \$0.50 charge per animal, paid at entry time. No goats allowed in barn until vet gives the okay. Project records must also be turned in at this time. All wethers and market doe kids are to be weighed as they check in at 4pm or shortly after, once a vet is present.

Goat Show: Wednesday, 9:00am

The Hand Milking Contest will be held on the second Saturday of fair week at 11 am in the Small Animal Barn.

GOAT CLOVERBUDS

The purpose of this project is to expose the 5–7-year-old member to information about the goat as a pet. Through the process of learning how to care for a pet goat, proper housing and feed, etc., it is hoped that the Cloverbud will choose to pursue the regular 4-H Goat Project when they reach the age of 8. It is not necessary for a Cloverbud to own his/her own goat since many of these may already have a brother or sister involved in the goat project. Cloverbuds will be allowed to show only in goat showmanship after the other goat members have shown. The goat kid will not be judged for conformation. Goats brought to the fair will be left all week and would need to be cared for the same as regular 4-H goats and meet the same general requirements for feed dishes, etc.

Cloverbud 5-7 year olds are not required to fill out project records, nor will they be allowed to sell in the Small Animal Auction.

Leaders or parents of Cloverbuds with questions may contact the goat Superintendent and work out a suitable exhibit for Cloverbuds.

GENERAL RULES

1. In addition to the following details, refer to General Small Animal Guidelines, Project Records and Auction Rules for related information and requirements.
2. All goats to be auctioned and coming to the fair must be properly scrapie tagged before hauling to fair, even Cloverbud animals. **IT IS STATE LAW.** Please refer to Michigan Sheep and Goat Official ID information on page 110 and sign Exhibitor Agreement Form on page 111.
3. Meat breed does and market doe kids may have horns. However, wethers must be dehorned and **cannot** have sawed off horns or scurs over two inches in length.
4. All animals must be milked out 14 hours before showtime.
5. All 4-H members must raise, care for, and own their own animals by May 1 of the current year, including wethers.
6. **It is the responsibility of each member for the care and feeding of his/her animals the entire week of fair -- refer to #7 in general small animal guidelines. Improper care most likely will result in animals being sent home and forfeiture of awards. All members are required to help with set-up the Thursday before fair and take down/clean up the second Sunday of fair. A \$50 charge will come out of the member's auction check if pen set up and take down responsibilities are not fulfilled.**
7. Grade animals will compete in same classes as registered animals.
8. Animals must be body clipped per their breed standard prior to entry day. No body clipping allowed at fair. Dairy goats are to be totally body clipped.

9. The order of classes listed is not necessarily the order of show. Order will be posted on the day of the show.
10. Absolutely no adding entries or changing classes on the day of the show. Any changes must be made day of entry.
11. The number of animals being brought to the fair as well as the number of pens required must be on the fair entry form; there is a maximum of four animals per exhibitor.
12. Only one entry allowed per exhibitor per class.
13. If dairy goats (including wethers) are crossed with non-dairy type goats, such as pygmy, angoras or boers, the offspring will show in meat classes.
14. Dairy goat attire: white shirt and white pants. Meat goat attire: nice shirt and jeans. **NO** open-toed shoes allowed at any time.
15. Trophies will be awarded to the top entry for each section that has at least four entries and **ONLY** if the judge warrants. For sections having at least fifteen entries, a first runner-up may also be awarded but **ONLY** if the judge warrants.
16. Any 4-Her exhibiting a wether over one year old or a dry DAIRY doe over 2 years old not in milk **MUST** also enter at least one miscellaneous class i.e.- pack or driving. Club herd is **NOT** a miscellaneous class.
17. **Pens will be assigned by the Superintendent.**
18. Animals must be shown in a show collar or a show halter. Dairy animals should be in a show collar but may use a show halter.
19. **ALL** animals will be checked in by the superintendent and the vet on the first Sunday of fair week and **remain** until checked out on the last Sunday of fair week. Check out needs to go through the goat superintendents. **NO** early check-out allowed.

SECTION 1 - SHOWMANSHIP

Sr. Showmanship will be judged first. All 4-Her's must participate in showmanship to sell in Small Animal Auction.
